

THE 1500 FACTOR™

CONCENTRATED GROWTH FACTORS TO REBUILD,
REGENERATE AND REGULATE.

THE FACTOR™ 1500 is specifically designed to aggressively combat the aging process on a cellular and hormonal level. **THE FACTOR™ 1500** is a multi functional anti-aging formula that combats the full spectrum of issues attributed to aging. The therapeutic growth factors and other healing compounds in **THE FACTOR™ 1500** are derived from a 100% natural super food.

Velvet Antler and Tribulus are two of the world's oldest super foods, and have been used for millenniums in Eastern medicine. Now combined, these two potent super foods are delivered in a bioactive sublingual formula. These two foods contain over 100 active ingredients that regulate internal and external cellular regeneration; and hormonal, endocrine, immune and inflammatory responses.

BENEFITS INCLUDE

- **Male and Female hormonal modulation**
- **Immune modulation**
- **Total system internal/external cellular regeneration**
- **Raised glutathione levels**
- **Increased protein absorption and utilization**
- **Repaired DNA**
- **Increased endurance, strength and lean muscle mass**
- **Increased metabolism and energy for weight loss**

THE FACTOR 1500mg utilizes a exclusive 43:1 extract of Velvet Antler extracted into bioactive 100% organic grape alcohol infused with Tribulus Terrestris. The enhanced delivery system of Tribulus and organic alcohol maximizes the delivery, absorption rate and effectiveness of the full matrix of growth factors and other several hundred bioactive constituents. This dynamic multi functional formula provides our body the raw materials necessary to rebuild, regenerate, and regulate almost every bodily function and tissue. Some of these functions include balancing hormones for men and women, raising the levels of; the master antioxidant and chief source of energy, glutathione.

NATURALLY
DERIVED
CONCENTRATED
GROWTH FACTORS

THE FACTOR™ 1500 is a high
potency extract of these naturally
occurring Growth Factors.
